United Way of Southwest Oklahoma to Host Open House

Lawton, Oklahoma – United Way of Southwest Oklahoma will host an Open House on February 27, 2015 from 7:00am until 4:00pm at the office located at 1116 SW A Avenue, Lawton.

UWSWOK invites all community members to come out and help raise awareness about their impact in the community and raise support to help reach the 2014/2015 Campaign goal of 1.69 million. Currently, United Way has reached 90% of the goal and is confident that the community can rally together to raise the final 10% before the campaign wraps up in March. The funds raised will be invested back into the local community to support 19 partner agencies and programs.

Townsquare Media will begin a live broadcast at the UW office at 7:00am with My 107. KLAW will take over at 10:00 am and Z94 will finish up from 2:00 pm – 4:00pm. KSWO and The Lawton Constitution will also make an appearance to cover this event. With the help of our generous sponsors there will be hourly door prizes and refreshments served throughout the event. There are some fantastic giveaways from gift certificates to the newest restaurants in Lawton to a free “Healthy Home Inspection” by Precise Building Performance, LLC valued at \$300.00. Stanfield and Brim P.C. will be onsite selling raffle tickets for their fundraiser supporting United Way in which the winner will be drawn that day to receive a credit of up to \$500.00 to prepare their 2014 tax return. Representatives from several of the partner agencies will also be present and available to talk about their work in the community.

United Way Campaign Chair, Los Irizarry states “This is an exciting opportunity to celebrate the giving nature of the people and companies of Lawton. Our 19 partner agencies have been blessed with a community that cares. This event creatively celebrates that community.”

About the United Way of Southwest Oklahoma:

The United Way funds 19 local agencies and their various programs that address community issues. The United Way is a charitable organization and depends on volunteers and the generosity of the local community to fulfill its mission. For more information, please visit www.uwswok.org.
